

Infrastructure for Document-Driven Workflows

Using artificial intelligence and crowdsourced data validation, our solutions enable customers to automate document review workflows.

AI-Powered Solutions For...

**BANKS****FINTECHS****MORTGAGE LENDERS****ACCOUNTANTS & AUDITORS**

Key Benefits

Hyper-Accurate Results in Minutes

Achieve 99+% accuracy, regardless of file format or quality.

Powerful Analytics

Optimize insights with next generation risk and fraud detection.

Secure RegTech

Bolster compliance through bank-level encryption and superior documentation.

Our Philosophy

Businesses work best when humans focus on the cerebral work and machines take care of the rest.

Quick Facts

- Located in NYC
- Founded in 2014
- CEO:
SAM BOBLEY
- COO:
VIKAS DUA
- Total funding: \$50+ million
- Millions of data points analyzed every day
